

The mid-13th Century Great Thatched Barn is to host a Classic Car Festival on 29 June and pop-up shop ahead of this year's Goodwood Festival of Speed.

# Yorkshire specialist's heads south

After the success of last year's Classic and Sportscar Centre Meet at Falmer Court on the outskirts of Brighton, the Yorkshire specialist is doing it again this summer.

CEO James Szkiler told CCW: 'We're hosting our second Classic Car Festival on 29 June and there will be live entertainment, stalls, music, outdoor cinema, all day bar, good quality local street food, craft beer and wine tasting. There will be a selection of classic and super cars on show and the car park will be full of interesting cars from all eras. The Saturday night dinner will feature a locally sourced menu, a guest speaker and a live band.

'We're also hosting a Car Meet ahead of The Goodwood Festival

of Speed and are transporting our selection of stock from Brighton to Goodwood on 8 July so will have the cars at Falmer Court for the week from 1 July to 7 July.

'We sell around 250 classics per year, and around 50 per cent of this is unseen with a strong following of regular clients in the South, so thought it would be great to give our clients the opportunity to come and meet our team and see a selection of our finest stock.

'If anyone would like to view, test drive or just chat cars, we'd love to meet them in this lovely location. We ask anyone interested to make an appointment and look forward to seeing as many people as possible'.
